Material UI, Chakra UI

### Data Management:

MySQL, MongoDB

### Design Tools and

Software: Figma, Canva

## CERTIFICATIONS

- AMCAT Certified Software Engineer
- Advanced React by Meta|Coursera
- Android App Capstone Meta|Coursera
- Demystifying Networks NPTEL

## POWER SKILLS

Exemplary Team Leader with a keen understanding and adaptability to diverse environments. Perfectionist committed to delivering high-quality results. A quick learner adept at seamlessly transitioning between smart and hard work strategies.

## CO-CURRICULAR

- CEO | Content Lead – Student Organisation GRIFFIN (Jan 2022 – April 2023)
- Gear Up Hackathon - (Smart India Hackathon)
- Poetry and Article Writing
- LinkedIn Content Creator

## WORK EXPERIENCE

### ReactJS Internship

ThinkNext Technologies, SAS Nagar, Punjab, India · On-site Jun 2023 – Jul 2023

- ReactJS Proficiency: Completed ReactJS internship at ThinkNext Technologies, enhancing critical thinking through challenging projects. Under experienced mentors, gained hands-on experience aligned with industry best practices.
- Diverse Skill Set: Certified in Industrial Training, Internship, Computer Basics, and Spoken English, showcasing commitment to skill expansion. ThinkNext Technologies internship established a robust foundation in ReactJS and web development for a promising career.

### Web Development Internship

Omninos Solutions, Sahibzada Ajit Singh Nagar, Punjab, India · On-site Jun 2022 – Jul 2022

- Technical Proficiency: Acquired hands-on experience in developing and designing websites using HTML, CSS, and JavaScript. Demonstrated expertise in creating responsive and user-friendly web interfaces with dynamic features.
- Collaborative Skills: Effectively collaborated with cross-functional teams, understood client requirements, and delivered high-quality solutions during the internship at Omninos Solutions, showcasing strong teamwork and client-focused approach.

## PROJECTS

### Quantum Krypto

Oct 2023

- Web Application | Tech Stack: ReactJS, Material UI, Express, MongoDB, NodeJS, Figma
  - NFT Marketplace: Create, buy, and sell unique digital assets securely.
  - Cryptocurrency Portfolio: Manage and track various cryptocurrency investments in a user-friendly interface.
  - Tech News Hub: Stay updated with the latest in technology through curated articles and forum discussions.

### Portfolio Website

Jul 2023

- Web Application | Tech Stacks: ReactJS, Material UI, Chakra UI, Spline
  - Scrollama Integration: The website utilizes the Scrollama library for creating interactive scrolling experiences, allowing dynamic changes and animations based on the user's scroll position.
  - Spline Animation: Spline animations, powered by the Spline tool, enhance the visual appeal of the website. These animations add a dynamic and engaging element to the user interface, creating a modern and polished user experience.
  - Dynamic Card Layout: Implemented dynamic card layouts in the project section, adjusting card positions based on user scroll direction. This enhances interactivity, adding visual interest and improving user-friendliness to the project showcase.

## EDUCATION

BTech-CSE(Hons.) – Full Stack Software Development 2021 - 2025

Lovely Professional University

CGPA 8.5 | DEAN'S LIST

Class 12th

Army Public School Ambala Cantt. Haryana 2020 -2021

Score – 95.4%

Class 10th

Army Public School Srinagar, J&K 2018 - 2019

Score – 95.2%
